*The Total Deer Hunter Manual* Aug 16 2021 Take your whitetail obsession to the next level with this go-to guide from two of the most knowledgeable and experienced deer-hunting writers in America. Whether you spend all year plotting and preparing for your ultimate whitetail season, or just enjoy a few hunting trips a year with your buddies, this is the book you need. Hundreds of field-tested tips from Field & Stream's deer-hunting experts cover tips and tricks from America's best hunting guides and their own decades of experience, including: Shoot Better: With detailed exercises and advice for bow-hunters as well as rifle and shotgun users, this book takes you out on the range and into the woods, with what you need to bring home a trophy buck instead of a lame excuse. Plan All Year: What do you do when deer season ends? Stow your gear, mount your trophies, and start planning for next year. Here's how to plot your hunting grounds, plant the food deer love, and upgrade your equipment. Track Like a Pro: Where do deer live? What do they eat? How do they behave during the all-important rut season? You may think you know the answers to these questions, but the latest research and unusual historical wisdom will surprise you—and make you a better hunter.

**Pocketknife Making for Beginners** Aug 23 2019 Make your own folding pocketknife with this easy-to-follow guide. Step by step, this instructional manual unfolds the secrets of constructing a slip joint folding knife, which is held open by spring force and friction. In addition to introducing different variations of this knife style, this guide presents the materials, tools, and technical design skills needed for the project. Diagrams clearly demonstrate the mechanics of your knife and the crucial elements needed to make a properly functioning pocketknife. Detailed step-by-step explanations move from template to finished knife—even beginners can master this project with minimal tool requirements. Once the knife project is complete, you can use the processes in this guide and your own creativity to construct a special knife of your own design.
