**Let Us Go Up to Zion** Apr 23 2022 This volume honours Professor H. G. M. Williamson, Regius Professor of Hebrew at Oxford University through a collection of essays by colleagues and former students from across the globe. The various contributions intersect with the previous work of Professor Williamson related to the Old Testament/Hebrew Bible and Hebrew language and texts.

**Numbers: An Introduction and Study Guide** Sep 04 2020 Davies provides an informed, clearly written and thought-provoking account which will be a valuable addition to the Phoenix Guides to the Old Testament. This is the fourth volume in a series, written by members of the Society for Old Testament Study, that is planned to cover all the books of the Old Testament / Hebrew Bible. A parallel series for the New Testament books began to appear in 2012. (Publisher).

**Heart & Lung** May 25 2022

**Critical Care Orientation** Jan 01 2023 AACN Scope and Standards for Acute Care Nurse Practitioner Practice describes and measures the expected level of practice and professional performance for acute care nurse practitioners (ACNPs), incorporating advances in scientific knowledge, clinical practice, technology and other changes in the dynamic healthcare environment. It offers a practical tool for students, educators and advanced practice nurses caring for high acuity or critically ill patients and their families in every setting.

**Instruments for Use in Nursing Education Research** Aug 28 2022

**Exodus 1-18: A Critical and Exegetical Commentary** Jan 21 2022 Volume 1, Commentary on chapters 1-10 -- Volume 2, Commentary on chapters 11-18.

**Cumulated Index Medicus** Jun 25 2022

**Ascribe to the Lord** Jan 27 2020 This volume contains dozens of scholarly essays written and published in honor of Peter Craigie, who died on September of 1985. Craigie wrote seven books and more than forty articles at the time of his death at the age of forty seven years of age, and he influences a generation of biblical scholars. As a prolific writer and an astute scholar, Craigie wrote in the field of Old Testament studies. The essays in this volume were written by his students, and testify to his influence in the field. The topics covered in the contributions range across the Hebrew Bible, from Ancient Israel to the Prophets, touching on Job and Samuel.

**The Apocalypse of Isaiah Metaphorically Speaking** Aug 23 2019 The analysis of metaphors constitutes an ideal point of entry into the exegesis of Biblical Hebrew poetic texts because it forces the exegete to examine the said text from a variety of perspectives. How can one discern the presence of metaphorical speech? What are the various types of metaphorical speech available to and employed by the biblical poet? How does the structure of a piece of Hebrew poetry carry its metaphorical dimensions? How did the biblical poet make use of the various types of metaphor and to what end? Can we ultimately gain access to the poet's meaning? The present study endeavours to provide at least a partial answer to these questions. In maintaining focus on the biblical text, moreover, the author hopes to anchor some of the abstractions of metaphorical theory with chosen examples taken from the so-called 'Apocalypse of Isaiah'. The Hebrew prophets constitute fertile ground in their use of metaphorical language for speaking the unspeakable, especially concerning the relationship between the people and God.

**The Book of Daniel** Oct 06 2020 International experts offer fresh insights into: (1) Review of Scholarship and Context; (2) Near Eastern Milieu; (3) Interpretation of Specific Passages; (4) Social Setting; (5) Literary Context, Including Qumran; (6) Reception in Judaism and Christianity; (7) Textual History; and (8) Theology of Daniel.

**A Commentary on the Book of the Twelve** Jan 09 2021 The books of the twelve Minor Prophets are some of the least studied by Christians today, but they contain some of the great themes of Scripture, such as God's mercy and judgment, His covenant with Israel, the day of the Lord, and the coming of the Messiah. Arguing for a canonical unity that recognizes the Minor Prophets as one cohesive composition, Michael Shepherd

explains the historical meaning of each verse of the twelve books and also provides guidance for application and preaching. Pastors, teachers, and serious students of Scripture will find a wealth of insights for understanding the Minor Prophets. - from publisher.

**The Book of the Proverbs** May 01 2020 This book, the first of a series, describes the course of modern interpretation of the book of Proverbs. The topics covered include origins, background and dating, literary aspects and theological ideas. More than 350 books and articles are discussed.

**The Book of Lamentations** Oct 18 2021 The book of Lamentations is one of the most vivid representations of grief and trauma in the Hebrew Bible. Written in the wake of the fall of Jerusalem to the Babylonian Empire, it is comprised of five poems of twenty-two stanzas each, in a manner of tight formal unity unparalleled by any other work in the Scriptures. In this volume, widely respected Old Testament scholar John Goldingay analyzes these and other aspects of Lamentations while keeping a constant eye on the book's meaning and use as Christian Scripture. After a thorough introduction that explores matters of background, composition, and theology, Goldingay provides an original translation of the book from the Masoretic text along with verse-by-verse commentary.

**The Book of Ezekiel, Chapters 1-24** Feb 28 2020 A study of the first half of the biblical book of Ezekiel with commentary on what his message could mean for the church in the twentieth century.

**The Changing Face of Form Criticism for the Twenty-first Century** Jul 03 2020 The approach to biblical interpretation known as "form criticism" has changed markedly at the beginning of the twenty-first century. Front-ranking experts here survey the contemporary landscape of form criticism and explore significant patterns and trends now emerging in the field. Together these essays point to the continuing dynamism and vitality of form-critical theory as a significant tool for reading the Bible. **The World of the Old Testament** Jun 13 2021

**Supplements to Vetus Testamentum** Nov 26 2019

**The Wisdom Background and Parabolic Implications of Isaiah 6:9-10 in the Synoptics** Jun 01 2020 The Wisdom Background and Parabolic Implications of Isaiah 6:9-10 in the Synoptics seeks to understand the divine act of fattening in Isaiah 6:9-10 and how it shapes one's understanding of parables in the Synoptic Gospels. The author approaches the topic from within a wisdom matrix and lays an historical-exegetical foundation for understanding these and other critical passages in the New Testament. Readers will follow the Isaian text through varied traditions revealing a marvelous unity in terms of the divine action and the human condition. College and seminary courses focusing on hermeneutics, wisdom outside the wisdom corpus, and the Synoptic Gospels will find this book innovative, challenging, and provocative.

**Speaking of Speaking** Feb 19 2022 Speaking of Speaking aims to enrich the reading of the biblical text by offering a coordinated analysis of direct discourse markers, not only in order to consolidate a considerable body of work that is often overlooked by scholars, but also to move further toward a synthesis that can permit informed generalizations not possible at the present time.

**The Book of Daniel, Volume 2 Composition and Reception** Aug 04 2020 This is the second volume to appear (following Writing and Reading the Scroll of Isaiah. Studies of an Interpretative Tradition) in the collection The Formation and Interpretation of Old Testament Literature, part of the series Supplements to Vetus Testamentum. Further volumes in preparation on the composition and reception of Old Testament books include Genesis, Leviticus, Kings, Psalms, and Proverbs. This publication has also been published in paperback, please click here for details.

**Earth Story in Wisdom Traditions** Mar 11 2021 In this volume scholars from around the world read the

story of the Earth in major Wisdom Traditions using the ecojustice principles outlined in Volume 1, 'Readings from the Perspective of Earth'. These readings uncover a range of fresh perspectives about Earth in seeking to discover where the voices of Earth are suppressed or heard in the Wisdom texts. Some texts reveal an eokinship between Earth and Wisdom. Texts from Job challenge a cosmic model that gives priority to heaven over Earth. Still others challenge the mandate to dominate in Genesis 1.28. In many texts, Wisdom provides a vehicle for a new kinship with Earth. Contributors include Jenny Wightman, Hendrik Viviers, Carole Fontaine, Izak Spangenberg, Alice Sinnott, Willie van Heerden, Katherine Dell, Dale Patrick, Marie Turner and Laura Hobgood-Oster.

**The Formation of the Book of the Twelve** Dec 28 2019 In antiquity, the twelve books of the Minor Prophets were transmitted as a single volume known as the Book of the Twelve. This 1994 Duke dissertation uses manuscript discoveries from the Judean Desert and a fresh re-appraisal of the Greek translation of the Minor Prophets to argue for the existence of three versions of the Book of the Twelve in ancient Judaism. The differences between these versions illustrate the role that ancient biblical interpretation played in the shaping of the canonical prophetic literature. Among its other contributions, the book marshalls textual evidence for the integrity and chronological priority of the Hebrew text of the Septuagint Minor Prophets as compared to the Masoretic textual tradition. -- Back Cover.

**The Theology of the Book of Joel** Aug 16 2021 The series Beihefte zur Zeitschrift für die alttestamentliche Wissenschaft (BZAW) covers all areas of research into the Old Testament, focusing on the Hebrew Bible, its early and later forms in Ancient Judaism, as well as its branching into many neighboring cultures of the Ancient Near East and the Greco-Roman world.

**Abridged Index Medicus** Nov 06 2020

**A Guide to Biblical Commentaries and Reference Works** Jul 27 2022 A Guide to Biblical Commentaries and Reference Works, by John F. Evans, summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible. A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.

**God's Righteousness and Justice in the Old Testament** Dec 08 2020 A semantic study of God's righteousness and justice in the Hebrew Bible that draws exegetical, theological, and philosophical conclusions about the character of God and God's relationship with humanity. God's work of creation and salvation for the good of Israel, humanity, and the world manifests the nature of God's being. Thus, if we can understand God's characteristics of righteousness and justice, we can better understand God. In the Hebrew Bible, these aspects of God are not expressed by abstract concepts but by semantic elements within literary structures. From this premise, Jože Krašovec undertakes the present study to put semantics into dialogue with exegesis and theology to illuminate exactly how God's righteousness and justice in the Old Testament should be understood. In the first part of the book, Krašovec analyzes occurrences of the Hebrew root *šdq* (meaning righteous) and other synonyms, working systematically through the entire Old Testament canon. In the second part, he builds off this lexical study with a more broadly exegetical, theological, and philosophical exploration of guilt, punishment, mercy, forgiveness, and reconciliation. Krašovec concludes, among other things, that the biblical writers use "righteousness" as an expression of God's affection for faithful people, especially those in distress because of persecution. God's righteousness therefore exists in the Hebrew Bible in relation to the righteousness of human individuals and communities. Justice—whether in the form of forgiveness for the penitent or punishment for those who have hardened their hearts against God—is always carried out with the goal of building better community among God's people.

**A Prophet in Debate** May 13 2021 An investigation of the literary structure and rhetorical challenge that prompted the book's production. Moller argues that the book of Amos captures and presents the debate between Amos and his eighth-century audience. When read in the light of Israel's fall, the presentation of Amos struggling (and failing) to convince his contemporaries of the imminent divine punishment functions

as a powerful warning to subsequent Judaeen readers.

**Congress Volume Aberdeen 2019** Feb 07 2021 This volume presents the main lectures of the 23rd Congress of the International Organization for the Study of the Old Testament (IOSOT) held in Aberdeen, United Kingdom, in August 2019.

**Hebrew Bible and Ancient Versions** Apr 11 2021 Robert Gordon gathers together his most important essays on the Old Testament and on the ancient versions, adding an introduction which gives background comment and reflections on each essay. The Old Testament essays are divided into three groups: The Narrative Tradition', 'Prophecy from East to West', and 'Across, Behind and Beyond the Text'. The essays on the ancient versions are divided into two sections: 'The Text and the Versions' and 'The Targums, Chiefly to the Prophets'.

**Abraham and Melchizedek** Oct 25 2019 In the research on the Pentateuch, Genesis 14 is regarded as an enigmatic text. Being one of the few texts where Abraham seems to be related to world history, it could potentially tell us when the patriarch lived. Thus, there have been attempts to relate the text to ANE archaeology and history. However, others argue it is one of the latest additions to the patriarchal narratives – albeit without arguing thoroughly for it. In this book, it is thoroughly argued for Genesis 14 having originated from scribal activity in Second Temple times: several earlier biblical texts have served as templates.

**Management Issues in Critical Care** Nov 30 2022 This video series looks at many legal and ethical issues which nurses are like to encounter.

**The Search for Quotation** Sep 24 2019 A thorough study of quotation within ancient and modern literatures is the background for this new approach to alleged quotations within the prophetic writings. The common claim that specific verbal parallels result from the conscious repetition of the words of a predecessor is beset by difficulties. After examining quotation in non-prophetic (ancient Near Eastern, early Jewish, Old Testament wisdom and narrative, and modern Western) literatures, Schultz proposes a new model for interpreting verbal parallels that utilizes several criteria for identifying quotation and combines diachronic with synchronic analysis. He then applies this model to five representative verbal parallels involving the book of Isaiah. This book illustrates how an awareness of the versatility of quotation facilitates a more accurate interpretation of verbal parallels, and at the same time calls for greater caution in employing them in support of various theories.

**The Oxford Handbook of the Pentateuch** Dec 20 2021 Featuring contributions from internationally-recognized scholars in the study of the Pentateuch, this volume provides a comprehensive survey of key topics and issues in contemporary pentateuchal scholarship. The Oxford Handbook of the Pentateuch considers recent debates about the formation of the Pentateuch and their implications for biblical scholarship. At the same time, it addresses a number of issues that relate more broadly to the social and intellectual worlds of the Pentateuch. This includes engagements with questions of archaeology and history, the Pentateuch and the Samaritans, the relation between the Pentateuch and other Moses traditions in the Second Temple period, the Pentateuch and social memory, and more. Crucially, the Handbook situates its discussions of current developments in pentateuchal studies in relation to the field's long history, one that in its modern, critical phase is now more than two centuries old. By showcasing both this rich history and the leading edges of the field, this collection provides a clear account of pentateuchal studies and a fresh sense of its vitality and relevance within biblical studies, religious studies, and the broader humanities.

**Critical Care Study Guide** Nov 18 2021 Critical care medicine is a dynamic and exciting arena where complex pathophysiologic states require extensive knowledge and up-to-date clinical information. An extensive knowledge of basic pathophysiology, as well as awareness of the appropriate diagnostic tests and treatments that are used to optimize care in the critically ill is essential. Since our first edition 7 years ago, new information crucial to the care and understanding of the critically ill patient has rapidly accumulated. Because this knowledge base crosses many different disciplines, a comprehensive multidisciplinary approach presenting the information is essential, similar to the multidisciplinary approach that is used to care for the critically ill patient. We have strived to provide this content in an easily digestible format that uses a variety of teaching tools to facilitate understanding of the presented concepts and to enhance information retention. To meet the demand to provide comprehensive and diverse education in order to

Understand the pathogenesis and optimum care of a variety of critical illnesses, we have substantially revised the prior topics in the first edition with updated information. We have also markedly expanded the number of topics covered to include acute lung injury and the acute respiratory distress syndrome, an expanded discussion of the physiology and operation of mechanical ventilation, obstetrical care in the ICU, neurosurgical emergencies, acute coronary syndromes, cardiac arrhythmias, role of whole body rehabilitation in the ICU, ethical conduct of human research in the ICU, and nursing care of the ICU patient.

**Staff Educator's Guide to Clinical Orientation, Second Edition** Oct 30 2022 Staff Educator's Guide to Clinical Orientation, 2E guides readers in creating and sustaining a high-quality orientation and onboarding program that meets the needs of nurses, organizations, and patients. In this fully revised second edition, authors Alvin Jeffery, Robin Jarvis, and Amy Word-Allen provide all the tools staff educator's need to successfully develop a nursing and healthcare workforce. Whether the staff educator is new to leading orientation efforts or a seasoned nursing staff development specialist, this book will help readers: · Understand and use the ADDIE model · Analyze, design, and implement an orientation program · Evaluate an individual's competency · Conduct surveys and focus groups · Manage orientee errors and personality conflicts

**Dissertation Abstracts International** Jul 15 2021

**The Desert Will Bloom** Sep 16 2021 Isaiah's vision of the future is nothing less than a portrait of shalom, involving peace, wholeness, and hope both for the human community and the earth. Throughout the scroll,

imagery drawn from nature affirms that renewal of life, like the renewal of the earth, is possible for the human family. The essays in this volume explore the poetic artistry and symbolic imagery in the Isaiah scroll. They examine specific texts, interpreting important language and imagery in those texts, delineating the functions and implications of such imagery and metaphors throughout the entire book of Isaiah, and presenting fresh methodological and interpretive considerations in reading Isaiah. The contributors are Willem A. M. Beuken, Carol J. Dempsey, A. Joseph Everson, Chris A. Franke, James M. Kennedy, Hyun Chul Paul Kim, Francis Landy, Roy F. Melugin, Gary Stansell, Marvin A. Sweeney, Patricia K. Tull, Roy D. Wells, and Hugh G. M. Williamson.

Documentation Abstracts Mar 23 2022

**Form and Intertextuality in Prophetic and Apocalyptic Literature** Mar 30 2020 This book contains a collection of nineteen essays by Marvin A. Sweeney, some previously unpublished, that focus on the role of literary form and intertextuality in the study of prophetic and apocalyptic literature. The volume includes five major parts: Isaiah; Jeremiah; Ezekiel; The Book of the Twelve Prophets; and Apocalyptic Literature. Selected topics include the Book of Isaiah as Prophetic Torah; the role of Isaiah 65-66 as conclusion of the Book of Isaiah; the interpretation of the Masoretic and Septuagint forms of the book of Jeremiah; Jeremiah 2-6 and 30-31 in relation to Josiah's reform; Ezekiel's role as Zadokite priest and visionary prophet; the problems of theodicy and holiness in Ezekiel 8-11 and 33-39; the interpretation of the Masoretic and Septuagint sequences of the Book of the Twelve; and others.
