A New York Times bestseller: The “magnificent” memoir by one of the bravest and most original writers of our time—“A tour de force of literature and love” (Vogue). Jeanette Winterson’s bold and revelatory novels have established her as a major figure in world literature. Her internationally best-selling debut, *Oranges Are Not the Only Fruit*, tells the story of a young girl adopted by Pentecostal parents, and has become a staple of required reading in contemporary fiction classes. *Why Be Happy When You Could Be Normal?* is a “singular and electric” memoir about a life’s work to find happiness (The New York Times). It is a book full of stories: about a girl locked out of her home, sitting on the doorstep all night; about a religious zealot disguised as a mother who has two sets of false teeth and a revolver in the dresser, waiting for Armageddon; about growing up in a north England industrial town now changed beyond recognition; about the universe as a cosmic dustbin. It is the story of how a painful past, rose to haunt the author later in life, sending her on a journey into madness and out again, in search of her biological mother. It is also a book about the power of literature, showing how fiction and poetry can form a string of guiding lights, or a life raft that supports us when we are sinking. Witty, acute, fierce, and celebratory, *Why Be Happy When You Could Be Normal?* is a tough-minded story of the search for belonging—for love, identity, home, and a mother. *Courage Calls to Courage Everywhere* is a timely and inspiring call to arms by one of Britain’s most acclaimed and important writers. Whilst recognising how far women have come in the hundred years since getting the vote, Jeanette Winterson also insists that we must all do much more if we are to achieve true gender equality. Examining recent women’s rights movements, the worlds of politics, technology and social media and changes in the law, Winterson calls out all the ways in which women still face discrimination and disadvantage. Like the women who won the right to vote, we need to shout up, reach out, be courageous and finish the job. Also included in this volume is Emmeline Pankhurst’s landmark Suffragette speech, ‘Freedom or Death’, which she delivered in 1913. These interlocking essays uncover art as an active force in the world, neither elitist or remote, present to those who want it, effecting even those who don't. ‘A shining delight of a novel’ New York Times 'Clever and beautiful...it soars' Financial Times A baby girl is abandoned, banished from London to the storm-ravaged American city of New Bohemia. Her father has been driven mad by jealousy, her mother to exile by grief. Seventeen years later, Perdita doesn't know a lot about who she is or where she's come from - but she's about to find out. Jeanette Winterson’s cover version of *The Winter’s Tale* vibrates with echoes of Shakespeare's original and tells a story of hearts broken and hearts healed, a story of revenge and forgiveness, a story that shows that whatever is lost shall be found. ‘Emotionally wrought and profoundly intelligent... A supremely clever, compelling and emotionally affecting novel that deserves multiple readings to appreciate its many layers’ Mail on Sunday 'There are passages here so concisely beautiful they give you goosebumps' Observer 'Pulsates with such authenticity and imaginative generosity that I defy you not to engage with it' Independent Shakespeare's Sonnets are as important and vital today as they were when first published four hundred years ago. Perhaps no collection of verse before or since has so captured the imagination of readers and lovers; certainly no poem has come under such intense critical scrutiny, and presented the reader with such a bewildering number of alternative interpretations. In this illuminating and often irreverent guide, Don Paterson offers a fresh and direct approach to the Sonnets, asking what they can still mean to the twenty-first century reader. In a series of fascinating and highly entertaining commentaries placed alongside the poems themselves, Don Paterson discusses the meaning, technique, hidden structure and feverish narrative of the Sonnets, as well as the difficulties they present for the modern reader. Most importantly, however, he looks at what they tell us about William Shakespeare the lover - and what they might still tell us about ourselves. Full of energetic analysis, plain-English translations and challenging mini-essays on the craft of poetry - not to mention some wild speculation - this approachable handbook to the Sonnets offers an indispensable insight into our greatest Elizabethan writer by one of the leading poets of our own day. *This Book Will Save Your Life* is an uplifting story about one man's efforts to bring himself back to life. Richard is a modern-day everyman, a middle-aged divorcee trading stocks out of his home in Los Angeles who needs no one. His life has slowed almost to a standstill until two incidents conspire to hurl him back into the world. One day he wakes up with a knotty cramp in his back, which rapidly develops into an all-consuming pain. At the same time a wide sinkhole appears outside his living-room window, threatening the foundations of his house. A vivid novel about compassion and transformation, *This Book Will Save Your Life* reveals what can happen if you are willing to open yourself up to the world around you. Since her debut in 1989, A. M. Homes has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her keen ability to explore how extraordinary the ordinary can be is at the heart of this touching and funny novel, which was shortlisted for the Richard & Judy Book Club in 2007. Winner of the Whitbread Prize for best first fiction, *Oranges Are Not the Only Fruit* is a coming-out novel from Winterson, the acclaimed author of *The Passion* and *Sexing the Cherry*. The narrator, Jeanette, cuts her teeth on the knowledge that she is one of God's elect, but as this budding evangelical comes of age, and comes to terms with her preference for her own sex, the peculiar balance of her God-fearing household crumbles. 'This book is a deep, sensual plunge, a worship of the body, inside and out' The Times In a quiet English suburb, a love affair ignites. For our nameless narrator, Louise is the last in a long line of explosive passions, but the first to have broken their heart. With Louise's husband, Elgin, blocking love's course, their affair is doomed to unravel - until, that is, a terrible choice must be made. With its witty and masterful prose, *Written on the Body* takes the reader on a beguiling and defying exploration of love and its physical forms. 'An ambitious work, at once a love story and a philosophical meditation on the body' Sunday Telegraph An orphaned girl is held spellbound by the tales of a lighthouse keeper on the Scottish coast, in a novel by the Costa Award-winning author of *The Passion*. After her mother is literally swept away by the savage winds off the Atlantic coast of Salts, Scotland, never to be seen again, the orphaned Silver is feeling particularly unmoored. Taken in by the mysterious keeper of a lighthouse on Cape Wrath, Silver finds an anchor in Mr. Pew—blind, as old and legendary as a unicorn, and a yarn spinner of persuasive power. The tale he has to tell Silver is that of a nineteenth-century clergyman named Babel Dark, whose life was divided between a loving light and a mask of deceit. Peopled with such luminaries as Charles Darwin and Robert Louis Stevenson, Mr. Pew’s story within a story within a story soon unfolds like a map. It’s one that Silver must follow if she’s to be led through her own darkness, and to find her own meaning in life, in this novel by a winner of the Costa, Lambda, and E.M. Forster Awards, the author of *Oranges are Not the Only Fruit*; *Why Be Happy When You Could Be Normal?* and other acclaimed works. “In her sea-soaked and hypnotic eighth novel, Winterson turns the tale of an orphaned young girl and a blind old man into a fable about love and the power of storytelling...Atmospheric and elusive, Winterson's high-modernist excursion is an inspired meditation on myth and language.”—The New Yorker Winterson enfolds her seventh novel within the world of computers, and transforms the signal development of our time into a wholly human medium. The story is simple: an e-mail writer called Ali will compose anything you like, on order, provided you're prepared to enter the story as yourself and risk leaving it as someone else. You can be the

hero of your own life. You can have freedom just for one night. But there is a price, and Ali discovers that she, too, will have to pay it. The PowerBook reinvents itself as it travels from London to Paris, Capri, and Cyberspace, using fairy tales, contemporary myths, and popular culture to weave a story of failed but requited love. Since the publication of her first novel, *Oranges Are Not the Only Fruit*, Jeanette Winterson quickly established herself as a powerful and insightful writer on sexuality and gender. However, the profound and persistent religious themes of her work have received much less critical attention. *Jeanette Winterson and Religion* is the first in-depth study of the ways in which Winterson navigates the sacred and the profane in the full range of her writing, from her first novel to later works such as *The PowerBook* and *The Stone Gods*. This book reads the author's work alongside the theological turn in the thought of such theorists as Alain Badiou, John D. Caputo and Julia Kristeva as well as feminist and queer theologians such as Catherine Keller and Marcella Althaus-Reid. In this way, *Jeanette Winterson and Religion* reveals how Jeanette Winterson stakes out a unique and intriguing post-secular literary form of the sacred. 'Utterly compulsive' Daily Telegraph 'A gripping gothic read' Sarah Hall, Guardian 'So seductive ... I was hooked' Independent The Forest of Pendle used to be a hunting ground, but some say that the hill is the hunter - alive in its black-and-green coat cropped like an animal pelt. In a house called Tanglewreck lives a girl called Silver and her guardian Mrs Rokabye. Unbeknown to Silver there is a family treasure in the form of a seventeenth-century watch called the Timekeeper, and this treasure holds the key to the mysterious and frightening changes in time. Susana Onega combines the study of formal issues such as narrative structure, perspective and point of view with thematic analyses approached from a variety of theoretical perspectives, from narratology and feminist theory to Hermetic and Kabbalistic symbolism, to provide a comprehensive 'vertical' analysis of Winterson's novels. Onega reveals the books as complex linguistic artefacts, crammed with intertextual echoes. She demonstrates the inseparability of form and meaning within Winterson's work, and positions her within the wider context of contemporary British fiction alongside fellow visionaries such as Peter Ackroyd, Maureen Duffy and Marina Warner.
